PROFESSIONAL SUMMARY

IT Support & Network Administrator and Electrical Engineer with 9+ years of combined experience in enterprise IT infrastructure, network administration, and electrical engineering. Experienced in designing, implementing, managing, and troubleshooting LAN/WAN networks, MikroTik routers, Ubiquiti UniFi wireless solutions, CCTV surveillance systems, structured cabling, and electrical systems. Skilled in system administration, network troubleshooting, vendor management, preventive maintenance, and IT infrastructure support, with a proven ability to deliver reliable, secure, and efficient technology and electrical solutions across educational, corporate, and industrial environments.

CORE COMPETENCIES

- **Networking:**
LAN/WAN, TCP/IP, VLAN, DHCP, DNS, NAT, VPN, MikroTik Routers, Cisco Networking, Ubiquiti UniFi, Routing & Switching, Port Forwarding.
- **Systems & Security:**
Windows 10/11, Windows Server, Active Directory, User Account Administration, CCTV Surveillance Systems, Proxy Servers.
- **Operations & Tools:**
Hardware & Software Deployment, OS Installation & Configuration, Vendor Management, Preventive Maintenance, Technical Support, WinBox, TeamViewer, AnyDesk, Real VNC, Conduct IT interviews.

PROFESSIONAL EXPERIENCE

IT Support & Network Administrator (Denning Service Pvt Ltd)

May 2023 – Present

- Managed and maintained a campus network supporting **500+ students and 60+ faculty and administrative staff**.
- Administered 40+ Ubiquiti UniFi Access Points across multiple buildings, ensuring high Wi-Fi availability.
- Configured, monitored, and maintained 100+ network devices, including MikroTik routers, switches, and structured cabling infrastructure.
- Installed, configured, and maintained **90+ IP CCTV cameras**, ensuring campus security coverage.
- Managed proxy servers, antivirus solutions, and user accounts for **50+ faculty and administrative staff**, ensuring secure access to campus IT resources.
- Coordinated with vendors for IT procurement, preventive maintenance, and infrastructure upgrades, minimizing network downtime.

Sr. Officer IT Support/ PC Support (K-Electric)

April 2019 – March 2022

- Diagnosed and resolved hardware, software, and network problems.
- Assisted users with computer-related issues.

- Created, modified, and deleted user accounts and permissions.
- Install, configure, and update software applications and operating systems.
- Performed routine maintenance on computer hardware and peripherals.
- Keep detailed records of issues encountered and solutions provided.
- Set up routers, switches, and other network devices.
- Identify and resolve network connectivity and performance issues.
- Keep network hardware and software up to date with the latest patches and upgrades.

Maintenance In-charge (Electrical & IT Network) (Coat-Inks Pvt Ltd)

Jan 2018 – Mar 2019

- Supervised preventive and corrective maintenance for electrical systems and the local IT network.
- Maintained network connectivity for 50+ computers and office equipment.
- Coordinated maintenance activities to minimize operational downtime.

Associate Engineer (SRS Electrical Engineering Services)

Jan 2017 – Dec 2017

- Assisted in electrical engineering projects, including installation, testing, and commissioning of electrical systems.
- Performed preventive and corrective maintenance of electrical equipment and distribution systems.
- Conducted hardware testing, fault diagnosis, and technical troubleshooting to ensure system reliability.
- Collaborated with senior engineers to complete projects safely and on schedule.

Field Technician (Storm Fiber)

Jun 2016 – Dec 2016

- Installed and activated 100+ fiber-optic internet connections for residential and business customers.
- Diagnosed and resolved fiber connectivity issues, achieving a high first-visit resolution rate.
- Configured customer routers and verified end-to-end internet connectivity.

EDUCATION

- **Master's in Business Administration | Indus University | 2021**
- **B-Tech in Electrical Engineering | Indus University | 2019**
- **DAE in Electrical | Govt. Mono-technical Institute | 2015**
- **Matric in Computer Science | Al-Kamran Public School | 2011**

CERTIFICATIONS & TRAINING

- CCNA (Cisco Certified Network Associate) – Online Training
- MTCNA (MikroTik Certified Network Associate)
- Project Management Short Course – Online Certification
- Leadership & Management Short Course – Executive Training
- MS Office Suite (6-Month Complete Certificate) – Global Computer Institute
- Web Development Fundamentals – Online Technical Course
